

Travel Your Charter

A great excuse for a 'boys' weekend away and a lot of fun. It particularly enables the brethren, both young and old, to get to know each other.

Choose a weekend nearest the Lodges regular meeting night.

Identify another Lodge in an interesting location within easy travelling distance and approach that Lodge to allow you to use their Lodge room for your Lodge meeting. Remember you will need to have your Charter with you and present in the Lodge room.

Invite the local Lodge to join you for the meeting as a visiting Lodge in their own Lodge rooms. If you are inviting other brethren it is good to do something of interest like a Freemasons Quiz.

It is suggested at an appropriate time you use Freemasons Speed-dating to quickly get to know the local brethren. Invite them also to join you for dinner at a local restaurant or hotel.

Remember the Lodge secretary will need to seek a dispensation for shifting the place of meeting.
