

Produce an Enhanced Members Booklet

As Freemason's we value fellowship, both the social aspects and the caring and sharing by brethren towards each other. Getting to know the brethren of ones Lodge is an important feature of successful Lodge fellowship. Here's a great idea courtesy of Lodge North Harbour which will assist with this.

Turn your membership list into a booklet – it's easy to do with modern publishing programmes.

Firstly set up a table and then populate with information as shown:

	<p>Jones, Sam William 98 Dunedin Grove TOWNSVILLE 0203 Hm 123 9999; Mob 021 445 445 jonessam@xxxxxx.com Work: BBBBB Ltd</p>
	<p>Smith, John Thomas (Sarah) 123 Wellington Rd TOWNSVILLE 0203 Hm 123 4577; Mob 021 666 666 john.smith@xxxxxx.com Work: Retired</p>

Give it a cover with the Lodge logo and print in booklet form – this is an option on most modern copiers.

Lastly ensure each new member is presented with a copy on their initiation or on joining.
