

Enhancing Roles In The Lodge - Tools For The Master And Lodge Officers

The Pillars team has placed many tools in the Freemasons On-Line Toolbox to provide lodges and brethren resources on a vast range of topics. In particular there are numerous tools designed to from guidance and / or ideas for the various roles in the Lodge. We have therefore published a booklet bringing those altogether called:

'Enhancing The Roles In The Lodge –Tools For The Master and Lodge Officers'.

Keep an eye out for this publication and ensure the brethren in your lodge get copies. Not all brethren are internet literate and this publication is great way to share the Freemasons Toolbox with them.

To order copies for your lodge email mem.chair@freemasons.co.nz now.
