#### **New Freemasons NZ Website**

After months of preparation, programming, and design, we have released the totally new Freemasons New Zealand web site!

<http://www.freemasons.co.nz>

Your numerous requests to have a web site that was both aesthetic and easily navigatable have been fulfilled. We have strived to present the information in an easy-to-view (and find) format. All of the menus are across the top and contain everything needed for the public side of the site.

The Member Area has also been redesigned to allow Members and Lodge Secretaries to find the data they need more simply and easily.

Lodge Pages: Each Lodge page will have everything needed to give the visitor basic information on each Lodge. Please see the Lodge Awatea No. 258 page for a completed example:

<http://www.freemasons.co.nz/cms/gl/lodges/lodge-awatea/>

Eventually all Lodge pages will have 1) a good photo, 2) correct meetings dates, 3) a proper address, and 4) a digital map. But, in order to do this we need your help in obtaining these items.

This new web site is a work-in-progress and we hope to have all Lodge pages

This new web site is a work-in-progress and we hope to have all Lodge pages completely finished before the end of this year.

There are still some Lodge pages that do not have any meeting dates or meeting place information...

Please take the time and look at your own Lodge page. If there is any information that is incorrect or missing, please notify your Lodge Secretary or us directly at: [editor@freemasons.co.nz](mailto:editor@freemasons.co.nz)

We thank all of those who participated in reviewing the design and for all of the great suggestions. We welcome your comments and feedback.

### **New Generation Artist Warren Maxwell in Auckland**

If you are in Auckland this weekend -- look out for Warren Maxwell (New Generation Artist) and his band Little Bushman who are performing in a joint project with the Auckland Philharmonia Orchestra, Sunday, July 13 at 8pm in the Great Hall of the Auckland Town Hall. The band will perform songs from its two albums -- Onus of Sand and Pendulum -- with a full orchestra, scored by John Psathas (Laureate).
