Now It's Your Turn. Competition 1

RW. Dog "Harry" Salmon.

*B.T.W. The RW before "Dog" stands for
"Really Wonderful"*

Meet RW Dog "Harry" who keep the Salmon household under control. He tells the editor that he gets very bored staying at home so if either Gary or Kate leave the gate open, he takes off to check out of the lockdown situation that is in force in his neighbourhood. Harry is very much the boss of his household he tells us. Gary and Kate are very obliging. Gary by the way is Past Divisional Grand Master - Northern. A frequent visitor with his wife Kate to many Masonic Functions around the Division.

Why not take a photo of your favourite pet and send it to the editor so we can publish it.? Please make sure that you include the pet's name plus your own name and Lodge so that it can be included with your photo. Only one photo per pet please and we reserve the right to publish any or all of the photos we receive.

Several photos have been received already so a separate page will be constructed and uploaded to the server over the Easter Holidays. Watch this space for the click link in the next issue on Monday 13th April and

Competition 2

On the left is a polo shirt logo the editor created some years ago as part of the "Speak Up For Freemasonry" campaign. Those of you who attended the Divisional Conference in 2017 in Auckland may have noticed. The shirt still gets outings even today.

This competition invites creative readers to design some possibly new or update logos that may be useful for your Lodge, your District, Division, Province and even to the top once we get back into action again.

Only one entry per person please and make sure that you include your real name, Lodge name and number, plus some information about your creation - what inspired you, what does it symbolise and so on.

We are not pushing a barrow for change of any existing logo's. It is here to allow those of you who are artists, to wile away a few hours and share your skills with the rest of us not so gifted.

Please observe the rulings of the Grand Lodge of New Zealand when you use the Square and Compasses in your design. The capital letter G is not permitted.

Email your creation to the editor and it will hopefully be published in this newsletter - time and space permitting. Anything deemed inappropriate will not be published. The Divisional Grand Master, RW Bro Michael Hattie will be the final arbiter if any decision is needed.

Kia Kaha.
