## Time To Showcase Your Pet!

*Take a photo of your favourite pet and send it to the editor so we can publish it. Please make sure that you include the pet's name, your own name, and Lodge and a bit of information about your pet. Only one photo per pet please. We reserve the right to publish any or all of the photos we receive.*

***"Chloe" Cadman***

Like all cats, Chloe rules the home of Mike & Lea Cadman whom she has under perfect control. She often assists Mike in his role as Grand Treasurer and makes sure that he does not press the wrong button while he is running his accounts program. On occasions she believes she knows better so taps the keyboard just to make sure that Mike is concentrating on his job.

***"Riley" Mear***

Riley tells the editor that he lives in the Hunua's and has a favourite watering place which can also be little more than a mud hole at times. When he gets back to the house he is forbidden to come inside until he has been thoroughly hosed down by his "mother" Yvette. He also plays the dumb dog part when he is in trouble with his "father" W.Bro Jeff Mear for getting in the way when Jeff is in a hurry to get to Lodge and demands that last pat.

***EA "Wolfie" Leonard***

In the Volume of Sacred Law it is written that "the meek shall lay down with the lamb. Here we see EA Wolfie, (Energetic Apprentice) who is only 4 months old laying beside the lamb in the garden and fully alert.

Like all puppies he keeps his "parents" Jacpui & Phil and "grandparents" VW Bro Pat & his wife Ngarita Leonard fully committed all day and much of the night supervising this energetic young apprentice. Experts tell us that it can take up to 18 months before a dog of this breed is finally ready to settle down - even with daily training. Well worth the effort though. A great family pet by all accounts.
