Freemasons Roskill Foundation Lecture

The Freemasons Roskill Foundation is sponsoring a distinguished visiting speaker this year, **Professor Fred Wu**. This has been organised in conjunction with Freemasons Chair of Gerontology Prof Martin Connolly.

Prof Wu will be giving a public lecture in Auckland on Tuesday 19 April, Wellington on Thursday 21 April and Dunedin on Wednesday 27 April. His topic is "Successful Ageing and the Male Menopause". It is about good health and wellbeing in the ageing male and how to improve quality of life so that the later years are enjoyable.

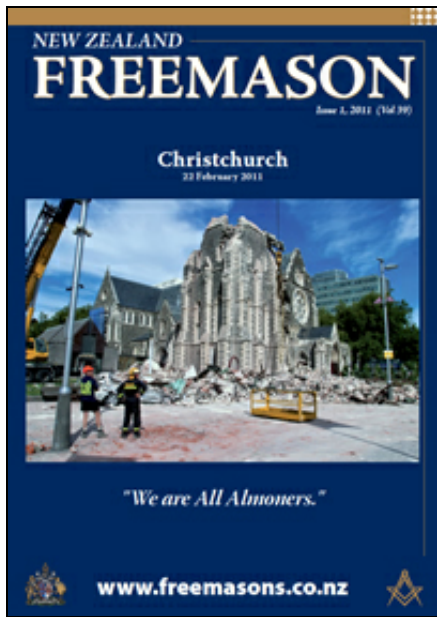

We would be grateful if you could assist us with the publicity of these lectures by advising your members and inviting them and their acquaintances to attend.
