# The Freemasons Charity Superintendent's Report

## GREETINGS

The three Divisional Grand Almoners continue to maintain the high standards they set at the beginning as they continue to make decisions on the applications in their Divisions for those in need and for Lodge projects.

Our thanks go to VWBro Ray Laurance (Northern Division), VWBro Gordon Riach (Central Division) and VWBro Cedric Cole (Southern Division) for their enthusiasm and dedication - and a particular message of thanks to VWBro Cedric as he steps down in November at the end of his term: thank you, you have been with us from the beginning and your experience and wisdom has been invaluable.

Thank you all for the support you and your local committees have given to The Freemasons Charity throughout the year.

## LODGE PROJECTS

The upward trend in local brethren's enthusiasm for community projects has continued. We have this year formulated a new Lodge Project Policy document to update and clarify the criteria that will ensure maximum support for your local efforts.

A well-managed local project, large or small, can not only assist an organisation in need but also enhance the local identity of Freemasonry in a way and with a speed that far exceeds the effectiveness of any marketing or "recruiting" plan as such activity opens a link to the local community and an avenue to potential new members. It also generates a sense of camaraderie and satisfaction amongst those brethren involved, particularly on seeing the project completed.

The Freemasons Charity has again supported many worthy Lodge and District projects (over \$200,000 in total this year). There has been a noticeable increase in new District projects this year covering a wide range of organisations, several hospices throughout the country, an upgrade of a Masonic Hospital in the Wairarapa, support of prostate cancer research in Otago Lakes, Christmas decorations for sick Auckland children, fitting out an ambulance in Ruapehu, and even supporting the fire brigade in Huntly - the list goes on.

The Freemasons Charity was this year pleased to reaffirm its support of Camp Quality in the Northern Division: Bay of Plenty has joined Auckland as a regular highly successful event in support of the local children with cancer. At the Grand Installation this year the Almoners' seminar will host Camp Quality - come and hear about the wonderful work they undertake (Saturday 2pm).

## THE DEFIBRILLATOR PROJECT

This was the National Project. Two years ago we conducted a nationwide survey of Freemasons and wives asking what national project you would support. "Defibrillators" was the response.

We aimed to distribute 30 units throughout the country in the course of this project. I am thrilled to confirm that in fact 45 units were distributed throughout New Zealand and we understand that there are one or two more confirmations still coming. Congratulations to you all!

We originally planned to close the project at the end of 2009 but knowing that in some cases raising the funds was not easy, and realising the continued interest in the project, at the moment no firm closing date has been set. It will probably now be December 2010.

## OUR FAMILY IN NEED

Financial times continue to be very tough for many people. Some of our Brethren, particularly those with a decline in their health, have sought support. The Freemasons Charity is ever ready to change and adjust its thinking in these difficult times.

To that end we have again this year allocated a special medical allowance to each of our Divisional Grand Almoners of \$30,000 annually to each Division. This is an allowance to assist those in need in those moments of medical crisis, to be approved and used judiciously by the Divisional Grand Almoners. This is additional to the Divisional budget for support to individuals in need.

This last financial year our Divisional Grand Almoners approved grants from The Freemasons Charity to assist individuals in need which totalled in excess of \$110,000.

## ALMONERS

The Freemasons Charity has continued this year in its commitment to support Lodge Almoners. The Divisional Grand Almoners have now completed the training sessions that have been held throughout the country specifically tailored towards Almoners.

We continue to provide support tools for the Almoners, by way of new Almoners packs, pads, pens, additional sympathy and blank cards etc.

During 2009 we introduced a new project - a random act of kindness for our widows. Each Lodge Almoner was sent some

embroidered handkerchiefs with some cards and envelopes. The Almoners wrote to each widow throughout the country (over 3,000!) enclosing the gift, with appropriate wording to the effect 'we were thinking of you'. The widows responded with absolute delight. It might have been a small token but it generated a huge level of goodwill and gratitude. Our Almoners were also delighted with the project which supplemented their other work with our widows.

The hanky project last year was such a huge success that we are intending to distribute a second gift to our Widows. The gift will be distributed by your Lodge Almoners in the same way and in the same numbers as before.

## **INCOME**

It has been said many times before that in order to continue to undertake the charitable activities that it does The Freemasons Charity has to rely on contributions from Lodges and brethren, as well as the income from our investments.

This year the Fund has had a roller coaster ride, the first nine months of the year saw it give a stellar performance, far exceeding our expectations. Unfortunately the last three months of the financial year were equally dramatic, in a quite different way. As a result, while we did not meet budget for investment returns this year, nevertheless we received a healthy return on our investments of \$522,513.

I am sure we are not alone in such a result but we are fortunate to have such astute Fund Managers, Goldman Sachs JBWere, and I am confident that results will bounce back in the near future.

We are most grateful for the staunch support we have received from brethren by way of contributions. Times are tough, so your continued support is very much appreciated.

Thank you all.

## **SCHOLARSHIPS**

We were honoured this year by the presence of a member of the Royal Family, HRH the Duke of Gloucester, who proved to be an amenable and welcoming presenter of this year's Freemasons Scholarships in the Wellington Town Hall.

HRH obviously enjoyed the interaction with the recipients of the Freemasons Scholarships and was happy to chat to other attendees at the close of the presentation.

The venue allowed us to extend the invitation to attend to all of our brethren and as a result just over 300 brethren, their wives and families watched the ceremony and enjoyed the light refreshments served later.

As the largest private provider of university scholarships, Freemasons New Zealand is proud to continue to support these exceptional young Kiwis who no doubt will be our leaders of tomorrow.

## **THE TEAM**

As we look back on a challenging but successful year our outstanding supporters in the administration of our charitable funds are, once again, the Divisional Grand Almoners and their teams of benevolence officers.

You have all met these challenges and been successful yet again, amazingly you just keep raising the level of achievement - thank you all.

To the Grand Secretary, thank you for your ever-ready support, and your willingness to offer your knowledge and expertise in the benevolence arena - this provides invaluable on the spot support to the Charity Administrator.

Sheila Hicking has proven to be a tower of strength to all involved in benevolence - distributing common sense and prudent guidance to those many brethren who make contact with her in the Wellington office - having a broad knowledge of all options available to those in need - having a compassionate ear to listen to those who feel in distress - and most of all having the skill to control the Superintendent of The Freemasons Charity! Sheila handles our day-to-day operations and the craft owes her a deep debt of appreciation for her tireless energy and endless enthusiasm.

As our community ages and the social environment changes, Freemasons will need to be ever alert to those adversely affected. This is a chore for each one of us - The Freemasons Charity has the resources to help - but it is up to each one of us brethren to maintain a vigilant watch in our Lodges and our communities. If a case of need is found, quick compassionate aid is available.

Together we can continue to raise the profile of Freemasonry and look forward to the future with confidence.

# **The Potter Masonic Trust**

## **Annual Report for year ended 30 June 2010**

The past year has been a comparatively quiet one with the bulk of available funds having been previously committed to completion of the Stage Two extension of the Potter Children's Garden at the Auckland Botanical Gardens at Manurewa. The grant of \$150,000 for this Stage increases the Trust's contributions for this Garden to \$300,000. It is probable that an Official Opening of the extension will coincide with the Grand Installation celebrations in November.

Last year I referred to completion of the Wilson School for Handicapped Sensory Garden at Takapuna and the children's playground at Castor Bay, North Shore City, and both of these facilities were very successfully opened last October. In addition, smaller donations were made to the Three Harbours Health Foundation and the Howick and Districts Masonic Trust.

It should be noted that income from invested funds was considerably reduced during the year owing to the lower interest rates generally. This is notwithstanding that the Trustees invested on term deposit rather than "at call" in an attempt to offset the reduced rates.

The Trustees have received notice that RWBro Jim Hogg, P Dep GM, will be tendering his resignation as a Grand Lodge Trustee as at 30th November and thereby also as a trustee of The Potter Trust. RWBro Hogg was appointed in February 1996 and has contributed much in both capacities over the past approximately 15 years.

As at 30 June 2010 the Trustees accumulated cash reserves stood at \$2,367,011. There has been no change to the Trust's property assets.

For the Trustees

J M Pope  
**Chairman of Trustees**  
**Potter Trust**

# Board of General Purposes

## PRESIDENT'S REPORT

**Brethren,**

I have the honour to report to you on the activities of the Board over the 2009/2010 financial year and to outline some further exciting developments as we progress into the future.

At the 2008 Christchurch Biennial Communication some major structural changes were decided upon by the brethren, and so the intervening period has seen a period of change begin, to implement the restructuring plans for Freemasonry.

The Board of Benevolence has been dissolved but our benevolent activities have continued strongly with the support and encouragement of our brethren, and the focus on our Almoners has been very well received throughout the country. More details of this are contained in the report from the Superintendent of The Freemasons Charity.

The Board of General Purposes has also had a focus on the future, considering strategies and developing plans to assist Lodges to move into the 21st century. The approaching Grand Installation in Auckland this November will outline a lot of the detail of these plans, so I would encourage at least all Masters and Wardens to attend that event as it will set the groundwork for the following three years.

### **Vision for the Future**

The first strategic step taken by the Board was to set up the 'Vision for the Future' Committee, setting its parameters, and then empowering it to get into action. It will co-ordinate the work of our various committees to provide leadership, integration, and to ensure we are making best use of the talents and energies of brethren from around the country in an effective and constructive manner to advance the Craft.

The Board also gave a refocus to the former 'Publicity Committee' charging it to be more involved with 'communication' – i.e. communication to Lodges and brethren of the benefits of the work undertaken by the other committees (Education, Planning, Music etc) – communication to the external world of the wonderful work undertaken in New Zealand by Freemasons – communication aimed at informing and making each brother proud to be a Freemason.

The Board is currently considering proposals to restructure the Grand Secretary's Office, and is cautiously proceeding mindful of the important role played by the Office in all the activities of the Craft. We recognise that the Craft needs to go through a period of change in order to retain its role as a modern organisation, and times of change are often unnerving and unsettling. However, we must grapple this challenge and proceed cautiously but firmly into our new era.

### **Special Communication**

In May 2010 a Special Communication was held in Wellington to consider some changes as to the process for appointment of Grand Lodge Officers. The debate was robust and well considered, and a clear direction emerged as to our future course.

The Grand Installation in Auckland in 2010 will be the last of our biennial events, with our next Grand Installation scheduled three years out in 2013.

### **Communications Committee**

This committee, under the chairmanship of WBro Dexter Bambery, has assumed a greater role in promoting our many activities to both an internal and external audience. These activities include not only the work of our various sub-committees (details of which appear at the end of this report), but also our sponsorships aimed at raising our profile amongst the community (foremost amongst these are the Freemasons University Scholarship programme, which this year saw HRH The Duke of Gloucester present the scholarships in the Wellington Town Hall).

The format and content of the Grand Installation has been changed so as to create an attractive and entertaining conference for everyone – not just ceremonial, not just Grand Lodge Business Session, but a host of supporting events and presentations giving an opportunity for everyone to learn more about the direction of Freemasonry in coming years.

The emphasis will be on fraternity and social dialogue, as much as on the formalities. I trust the event will be well supported so Lodges cannot complain of not being aware of the changes which lie ahead.

The Communications Committee is also assisting Divisions in the Annual Conferences, ensuring a high standard is achieved, with informative and interesting sessions covering items of interest to brethren and Lodges. This is also seen by the Board as an important opportunity for feedback directly from brethren on matters they consider important.

The *New Zealand Freemason* magazine continues to maintain a high standard and attracts compliments from within the country and beyond for its content. Michael Leon is to be congratulated for the work he and his Divisional representatives carry out in compiling each edition. We are always on the lookout for articles and photographs of suitable quality to include in the magazine, so please contact your Divisional editors for assistance in that regard.

The Communications Committee also oversees our website which ought to be a regular port of call for brethren in order to keep up to date with our activities. Road signs have been produced to a high standard – available for erection on the outskirts of towns, or for use on Lodge buildings to increase brand awareness in our communities.

### **Information and Historical Records**

The Board recognises an obligation to preserve, maintain and display our historical records and to store and make available the volumes of books, newsletters, magazines and other material received by our Library in Wellington.

Increasing numbers of members are borrowing books and using the services of our honorary librarian, and those of you who

have visited the Willis Street premises will see the challenge that lies ahead before all material is fully cataloged and available for display. This is a project that the Board wishes to see progressed, and if any other brethren in the Wellington area are willing to lend a hand for a day a week or so, please contact the Grand Secretary.

The Board, recognising the desire to preserve Masonic history, has the “Museum and Heritage Trust” which is focused on assisting Divisions addressing concerns on matters of our heritage.

The “Square and Compasses” exhibition first seen at the Christchurch Biennial Communication has since travelled to seven other museums and localities, spreading key facts about Freemasonry to a wide general audience. The content of the display has been adapted to each particular community, including specific items of local interest so as to heighten discussion and attendances. It has been very well received, and we estimate that approximately 120,000 people to date have seen the exhibition, It has indeed been a great success and we look forward to the exhibition as it continues its travels through areas of the North Island.

### **Lodges of Research**

We have 11 Research Lodges throughout New Zealand and we recognise the valuable role they play by supporting them with an annual grant. Research Lodges play an important part in Freemasonry, stimulating thought, discussion, learning and debate. They are to be encouraged in their activities, and brethren, particularly our newer brethren, should be escorted by their mentors to the nearest Research Lodge to enjoy the varied and educational topics.

### **Building Fund**

Our Building Fund is designed to assist Lodge-owners in maintenance or development of the buildings. It has funds which have been derived from former Lodge buildings now sold, and and has established criteria which applicants must meet before any loan or other assisted is granted. The Fund, as at 30 June 2010, was \$6.9 million made up of existing loans (\$4.5m), and an available pool of just over \$2.3m.

The Fund has recently assisted Nelson Masonic Hall with its car park resealing; Stokes Valley received funding; and our support of the magnificent Khyber Pass Building continues.

It is impressive to see the range of Masonic buildings spread around the country – encompassing the very modern (Khyber Pass, North Shore to name but two) through to the majestic traditional style of which Invercargill springs to mind.

Ownership of Lodge buildings is a responsibility – we are the current custodians of the property and have an obligation to our successors to pass the assets in a properly maintained and appropriately enhanced state. Planning is crucial, and financial expenditure cannot be scrimped or curtailed.

VWBro Millage completed his tenure as Grand Superintendent of Works in November 2009 and VWBro Angelo has been appointed in his stead. The Board acknowledges the work load and the practical assistance given to Lodges and the brethren throughout the country by these brethren and their team of property officers.

### **Charitable Status**

As you will know, Grand Lodge is challenging the Charities Commission on the definition of “charitable status”. We have had our day in the High Court and are awaiting the reserved decision. I anticipate saying more about this at the Grand Installation but in the meantime can confirm the one point that everyone accepts – The Freemasons Charity is recognised by all as being charitable no matter what the final outcome of the Court case might be.

### **Deposit Scheme**

This year has seen continuing challenges with the Deposit Scheme – many brethren frustrated at the modest level of interest paid on the fund. The Finance Committee put the Fund through a competitive tender process inviting other Banks to consider operating the Scheme. The result of that process was to confirm the National Bank as the preferred supplier, however the opportunity was also taken to have some fundamental dialogue with the Bank about its relationship with the Craft.

As a result, the Bank has agreed on a number of initiatives, a major one of which is to be announced at the Grand Installation. However, suffice to say, the National Bank is now broadening its partnership with Freemasonry – contributing to the expense of Grand Installation, increasing a marketing fund for us to utilise, continuing in its ‘commission’ payment to Grand Lodge (0.45% commission is paid for administering the scheme – this assists in running the Grand Secretary’s Office as well as many development initiatives and publicity events).

I would urge brethren and Lodges to continue their support of the Freemasons Deposit Scheme, to recognise that the benefits derived are not purely the interest rate paid by the Bank, but it is the raft of other very real assistance which the Bank gives to Freemasonry.

The simple fact is that without the Deposit Scheme commission, the services provided by Grand Lodge will need to be curtailed, and/or an increase in capitation fees would need to be considered.

### **Appreciations**

I have set out below the current members of the main committees set up by the Board. These brethren give so freely of their time and bring undoubted expertise and ability, all delivered with good grace and a love of the Craft. We, as Freemasons, owe a debt of gratitude for their time and energy and I, as President, am delighted that we will benefit further from their skills in the course of the coming year.

MWBro Stan Barker and Philippa have completed their term as our leaders and we are indebted for their enthusiasm and guidance. MWBro Barker now completes a tenure of over 10 years in senior leadership roles within Grand Lodge (Grand Registrar, President of the Board, Grand Registrar and Grand Master) and we thank him most sincerely for a decade of advice, good counsel and innate wisdom.

To the Grand Secretary and his team in Wellington – thank you one and all for your loyalty and dedication. We are all very grateful for your keenness, your willing assistance on all matters Masonic and your willingness to go that extra mile to deliver what we seek. While the Board grapples with issues of restruc-

turing the Office, it remains very mindful of your long periods of service, and your loyalty, and your dedication to the organisation. I am confident in saying that the Craft should be well assured that their interests are being well attended to by the good folk at Grand Lodge Office.

As predicted in my last report, the Board has performed well and has had to make a number of hard decisions to ensure we achieve equitable outcomes in developing the Governance structure for future Boards to embrace.

Following five years of service as President of the Board of General purposes RWBro R J Hogg P Dep GM was in 1992 appointed as a Trustee of the Grand Lodge to fill a vacancy due to the retirement of one of the Trustees. He has during the past eighteen years carried out his duties with distinction. He now considers it is time he relinquishes this position and has tendered his resignation. On behalf of the Board of General Purposes I extend to RWBro Hogg our sincere and grateful thanks for this wonderful contribution to Freemasonry.

| 19.08.2009  | Lodge Ohinemuri No.107               | Hauraki         |
| 06.10.2009  | The United Lodge of<br>Napier No. 21 | Eastland        |
| 12.10.2009  | South Otago Lodge<br>of Unity No. 14 | Wickliffe       |

|            |                             |                  |
|------------|-----------------------------|------------------|
| 14.04.2010 | Lodge Musselburgh No. 154   | Wickliffe        |
| 08.06.2010 | Lodge Shirley No. 263       | Pegasus          |
| 01.02.2010 | Lodge Panmure No. 393       | Counties-Manukau |
| 31.03.2010 | Lodge of Friendship No. 353 | Hutt Wairarapa   |

The total number of Lodges now stands at 266 with more Lodges expected to close in the near future.

##### **Expulsions**

The Board of General Purposes acting under Rule 244(a) has expelled the following brethren from the Craft:

Graham Dixon Catley  
Richard John Stephens

##### **Membership Statistics**

Covering the period 1 July 2009 to 30 June 2010.

|                          | <b>2009-10</b> |
|--------------------------|----------------|
| Initiations              | 320            |
| Joinings                 | 33             |
| Resigned Clear           | 416            |
| Resigned in Arrears      | 27             |
| Struck Off               | 79             |
| Deceased                 | 301            |
| Number of Lodges         | 266            |
| Average Change per Lodge | - 1.8          |

The total nett membership figure is as follows:

|                 | <b>2009-10</b> |
|-----------------|----------------|
| Nett Membership | 9,289          |
| Change for year | -470           |
| % Change        | -4.8           |

##### **Auditor**

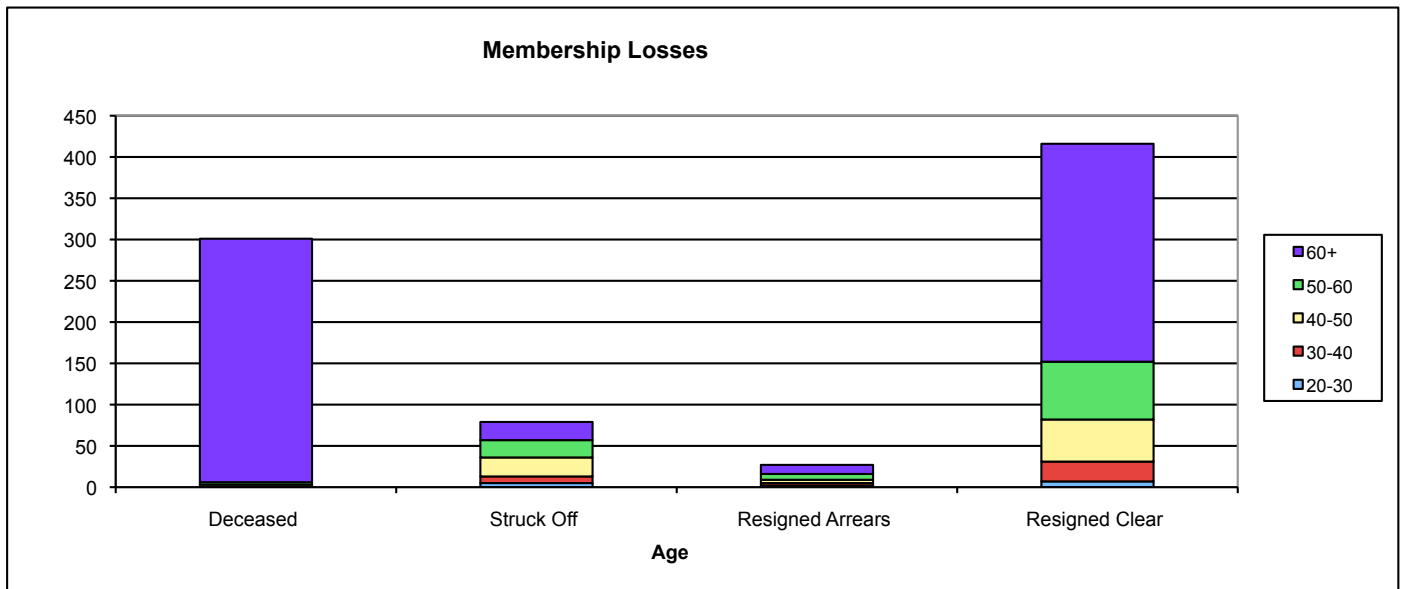

The Board is pleased to appoint Grant Thornton, Chartered Accountants, for the year 2010/2011, at a fee to be agreed between the Auditor and the Board.

##### **Triennial Communication 2013**

The next Communication is to be held in Wellington in November 2013.

N F Patrick  
**President**  
**Board of General Purposes**

The following graph depicts the number of brethren by age group leaving as members of the Craft over the past year.

The following graph shows the age profile of the initiates over the year.

This next graph shows the nett loss and gain of members by age profile.

## Freemasons NZ Membership and Prediction (Trend in Red)

## DIVISIONAL REPORTS

### NORTHERN DIVISION

I have great pleasure in presenting the Annual Report for the Northern Division for the year ending 30th June 2010.

I wish to acknowledge and thank the many brethren in the Division who continue to work tirelessly for Freemasonry. The Division continues to progress towards the objectives of retention of members, community involvement and improvement of public awareness of the Craft.

#### **GRAND MASTER'S VISITS**

The Grand Master, MWBro Stan Barker, and partner Philippa Adams, visited all Districts within the Division and in some areas more than once including an extended visit to Northland. The visits included Centennial and Jubilee celebrations, Service Award presentations and a Lodge Dedication Ceremony to name just a few.

It has been a privilege to host them both, their friendliness and approachable style at all times has been well received and much appreciated. We trust the memories of visits to the Northern Division during their term of office have been memorable and enjoyable and we thank them and wish them well for the future.

#### **DIVISIONAL CONFERENCE**

The 2010 Divisional Conference was held in Hamilton on the

24th April. The conference was extremely well supported by brethren and partners with over 200 delegates in attendance.

Following the usual reports and customary business session, which included five remits, conference addresses were presented on the following topics – The Freemasons Charity, Live Life Lighter Programme, proposed Board of Governance changes, Special Communication update, Vision Task Force – new Lodge reporting system, revised Education Booklets, Grand Lodge Communications Committee, Masonic Property, Lodge Development highlighting membership retention.

RWBro Ingram, Dep GM, concluded the conference with a powerful message illustrating to us all that we are trustees of a great tradition and we must accept the challenge and pass Freemasonry on with reverence to the next generation. The tools are in our hands.

#### **CHARTERS**

I have had the task of receiving a Charter from a Lodge within the Division. Although it is usually only after much soul searching and with a saddened heart that a Lodge will decide to hand in its Charter, it is often the best course of action.

The Charter that I received was Lodge Panmure No. 393, with others pending – Lodge Chevalier No. 303, and I understand Lodge United Waiuku No.90. I believe that there are a number

of Lodges within the Division that will require urgent attention and help if we are to avoid further closures.

On the plus side, it is pleasing to report that a new Acacia Lodge No. 472 located at Tokoroa was consecrated in July this year.

### **LODGE DEVELOPMENT**

The existing Divisional Committee structure has worked well and continues to make progress, however this will be revisited following the investiture of the new Divisional and District Officers.

WBro Carson, PGD, and his dedicated team have been working in the Lodge Development area to identify procedures and provide standard management templates for Lodges to use, to help them progress with planning for the future. The information from the new monthly reporting system introduced at the Divisional Conference will require some education and encouragement from the new team of District Grand Masters to the Masters of Lodges. The information is required by Grand Lodge to complete an accurate analysis of the Craft and enable planning for the future.

### **LODGE BUILDINGS**

Lodge buildings and accommodation are still a problem for some Lodges who find difficulty in being able to meet the increased costs of maintenance and local body rates and fees. This often puts financial pressure on the Lodge and members and is likely to get worse as time goes on. A solution could be to pool resources and build or buy a property with a commercial income which will assist with finances in the future. Some successful examples are Highland Park, Tauranga and Whakatane complexes.

The Auckland Freemasons Centre at 181 Khyber Pass Road has been in operation for almost two years being used extensively by Freemasons and is almost full to capacity. The complex offers quality amenities and most Lodges that meet there are experiencing an increase in membership. The complex presently accommodates six Craft Lodges, two Royal Arch Chapters, Secret Monitor Conclave, United Masters Lodge, Museum and Library including the 'Norman Spencer Collection'.

### **FREEMASONS CHARITY**

The level of charitable work undertaken within the Division continues to grow. The revised grant approval system is working extremely well and assistance is speedily given where needed. My sincere thanks go to the Grand Almoner, VWBro Laurence, and his team for attending to the needs of the brethren and many others in this important activity which is a cornerstone of our fraternity.

The Division has again been involved with Hospice, Camp Quality, Kids First and other charities involving schools and children.

The Division thanks all Brethren for their contributions throughout the year which enables this work to continue.

### **NORTHERN DIVISION CHOIR**

The choir has been very active around the country performing musical degree ceremonies which have proved to be a huge success. This group under the leadership of WBro Newcombe,

PGO, and WBro Morton, PGS, have promoted the importance of music in all Masonic ceremonies. Their assistance and involvement with the musical content for the Grand Installation Ceremony this year is greatly appreciated and we trust will be the highlight of a successful year for this very dedicated group of Freemasons.

### **GRAND INSTALLATION**

The Northern Division this year has the privilege of hosting the Grand Installation which will take place in the Auckland Town Hall. This is a significant occasion for the Division as the Grand Master-Elect, RWBro Selwyn Cooper, P Div GM, was recently the Northern Divisional Grand Master and resides in Auckland.

VWBro Morrissey, Grand Superintendent of Ceremonies, and his Ceremonial Team are working very hard on making certain the Installation of our new Grand Master is an occasion to be remembered by all. The Grand Installation will this year include several interesting options over three days for brethren and partners to participate in. The organising committee trust that this new format will be embraced by the brethren and that your visit to Auckland will be both enjoyable and memorable.

### **DIVISIONAL GRAND MASTER'S ACKNOWLEDGEMENTS**

I extend my sincere thanks to all the Grand Lodge Officers for your support and contribution during the past year. As your active term in office comes to a close, I hope that the time and effort you put into Freemasonry has been fruitful and enjoyable.

To the respective District Grand Masters and their active Grand Lodge Officers, I convey my personal thanks for a job well done. It is only through your personal efforts that the Craft has continued to prosper and progress has been made. I wish you well for the future and I have no doubt Freemasonry will still remain a big part of your life.

I wish to thank the Chairs of the University Scholarship Committees, VWBro Adrian, PG Lec, and WBro Manson and their respective committees for the great work done on the selection of Scholarship Awardees. The presentation was held in Wellington and the scholarships were presented by HRH Duke of Gloucester, KG, GCVO, and the event was an outstanding success.

My thanks also to VWBro Roberts, PDist GM, our Divisional Representative on the Board of General Purposes, for his valuable work on the Board.

I wish to thank the Divisional Secretary, VWBro Lewis, P Dist GM, and the Divisional Treasurer, VWBro Merryweather, PDist GM, for their valuable assistance and look forward to them continuing in these roles into the future. Finally, my sincere thanks to the Grand Secretary and the Staff of Grand Lodge Office for their ongoing support.

Eddie Eeles  
**Divisional Grand Master**  
**Northern Division**

-----

## **CENTRAL DIVISION**

It is with much pleasure that I present this report, although I am surprised how quick this year has gone. I believe that this year will be remembered in the history of Freemasons in New Zealand – we held a Special Communication that certainly made us think of our structure and how our organisation can and will look forward into the future. At the beginning it appeared to receive a lot of negative feedback but after it was well examined, the outcome certainly reflected the strength of Masonry in New Zealand and its members. The effort that was put in by members of the Central Division in examining and questioning the new proposals was outstanding.

### **My Aims and Objectives for 2010**

To set up a Divisional web site:

- Still in process but definitely will be achieved in the near future.

To hold a Divisional Conference:

- See comments below.

To visit each District at least three times:

- I have achieved this aim.

To motivate and encourage the District Grand Masters:

- I hope I have played a part in their success.

To maintain a reporting system from the District Grand Masters and the Advisory Committees:

- Installation reporting system is in place and of course the National reporting system will be, if not already in place.

To hold a Divisional Charity Luncheon:

- This was held on 18th September – we were very fortunate to have secured a guest speaker, Gertrude Matshe; her life story was amazing.

To encourage a high standard of ceremonial work:

- Not sure that I can take the credit, but I have been very impressed with the standard of ceremonial work that I have witnessed.

To increase the pride of our members in Freemasonry and as members of the Central Division:

- I have tried to distribute as much information about the work that this Division is doing and I hope that this has made a difference.

To produce a quarterly newsletter i.e. "The Central Divisional Grand Master's Pen":

- I have presented four newsletters to date.

### ***DIVISIONAL CONFERENCE***

The Divisional Conference held 1st May was well attended with over 170 members present and all Lodges represented. We had a full programme and feedback was very positive, expressing that they thought it was worthwhile attending. From the five remits presented, two were carried, two rejected and one recommended to be passed to the Board of General Purposes. Some of the highlights from the conference were the presentations that were made. These all seemed to be well received,

but the one from Brother Marty Arrell was certainly thought-provoking, questioning what Freemasonry has to offer a young man. We finished the conference not focusing on Freemasonry but on motivation. We were fortunate to have Tom Johnson who has been motivating for many years through his involvement with rugby.

### ***LODGE CLOSURES***

Two Lodges have handed in their Charter this year, The Lodge of Friendship No. 353 and Lodge Whetu-Kairangi No. 201. Although these are sad occasions, I believe that it is also a golden opportunity for members to make a difference in the next Lodge they join. This can be achieved by not just being a joining member but by becoming an active and vibrant member of their new Lodge.

### ***DISTRICT GRAND MASTERS***

We have certainly been well represented by our District Grand Masters. You all know the work that they have done in your District and I hope that you all acknowledge their efforts at the end of their term. I would personally like to thank all of them for the work they have done with me. I realise they had to adjust to a different style and I do appreciate their efforts. Your Past Divisional Grand Master, RWBro Wally Plank, sincerely thanks you for all the work that you completed under his term of office. We have certainly been well represented in this Division.

### ***THE MASONIC TRUST***

The work that the Trusts are doing in this Division is outstanding. We have ten actively involved in caring and sponsoring our community. I have had the privilege of attending a foundation stone laying ceremony and the opening ceremony of the new Masonic Hospital in Masterton. I would encourage any member who has the opportunity to look at this facility to do so; it is something that we can all be very proud of. At this stage, I have also visited the Napier Masonic Trust and was equally impressed. This work makes me proud to be a Freemason. It will be my intention to visit and see all the work that the Trusts are doing over my term of office. I will endeavour to communicate the work that has been carried out in this Division to all members.

### ***BENEVOLENCE***

I don't believe any Division could ask for someone who was so dedicated and has a personality that makes asking for money so easy. VWBro Gordon Riach is such a man and he has served this Division for many years and has kindly agreed to serve for another one or two years. Under Gordon's leadership and guidance we have already received from The Freemasons Charity over \$90,000. This of course relates to the excellent fundraising achievements of Lodges / Districts involved in charitable work for the community, notwithstanding the other work that has been done - The Ruahine District has presented \$20,000 to the Parkinson's Association; The Ruapehu District has presented \$22,000 to assist the St John Ambulance.

### ***ACKNOWLEDGEMENTS***

This District is very well served by its advisory teams and I thank them for their efforts. The work that is carried out very quietly in the background by our Divisional Treasurer, Bro Stephen Sherring, is also amazing. VWBro Colin

Heyward, Divisional Secretary, who has decided to retire from this position, has provided an outstanding service to this Division. Over the last 10 years he has served all of the Divisional Grand Masters and we certainly owe a major thank you to Colin and Jan for their support. They have played a major part in the success of this Division; we wish you both all the best for the future and a well-deserved rest.

Steve Salmon  
**Divisional Grand Master**  
**Central Division**

-----

### **SOUTHERN DIVISION**

Most Worshipful Grand Master and Brethren all. It is with pleasure that I present my report on the affairs of the Southern Division for the year ending 30th June 2010. It has been a busy year for the Craft with many events taking place which have been of great interest to the brethren.

#### ***GRAND MASTER***

MWBro Barker, Grand Master, and Philippa have travelled throughout the Division and they have been well received by all they met. From re-dedication of Lodge buildings to presenting Master Mason's certificates to 13 brethren in Invercargill, their commitment has been outstanding and we wish them well for the remainder of the term of office and for the future.

It was with great pride that my wife and myself were able to accompany the Grand Master and Philippa to Brisbane for the Installation Meeting of the Grand Lodge of Queensland.

#### ***DISTRICT GRAND MASTERS***

It has been really enjoyable to work with a great team of District Grand Masters and I thank you and your partners for the many courtesies you have extended to Gay and myself. I wish you all well for the future.

#### ***LODGE BUILDINGS***

It seems that at last some Lodges are aware that they cannot carry the burden of owning Lodge Rooms and having no tenants. We are seeing Lodge Rooms being sold and the Lodges moving into shared accommodation. It usually follows that the building becomes smarter as the labour base for working bees is extended. I implore Lodges to talk to your Property Officer before any proposition is considered.

#### ***CHARITABLE ACTIVITIES***

It has been a pleasure to observe the tremendous charitable work being applied by Almoners' Charitable Trusts, Lodges and The Freemasons Charity. Freemasons should be very proud of the manner in which the needy are assisted. The Ronald McDonald South Island appeal has been well supported and is a credit to all involved.

#### ***MEMBERSHIP***

At present the Division has a membership of 3309. It is gratifying to see the number of initiates being introduced to the Craft. But, as usual, care must be taken to ensure they stay

and become long-term members. This will only be achieved if Lodges make a real effort to see that a full mentoring programme is working. Your District Grand Master has an Education Officer who will be only too happy to assist Lodges to set up a mentoring programme.

#### ***THANKS***

I extend a special thank you to all those who serve on the various Divisional Committees and I especially thank WBro Tony Crafts, our Divisional Secretary, WBro Gordon Fraser, Divisional Auditor, and RWBro Heuchan Parr, the Divisional Treasurer, for their tremendous efforts on your behalf.

Brian Goodman  
**Divisional Grand Master**

# **Grand Treasurer's Report on the 2009/10 Financial Statements**

Brethren,

The financial statements for the year ended 30 June 2010 show a surplus of \$360,484 (last year \$1,457,650).

Total revenue for the year was \$4,132,542 (last year \$4,794,959).

The Board of General Purposes shows a deficit of (\$489,103). Last year there was a surplus of \$81,555.

The deficit is best explained by a breakdown of the various funds of the Board.

|                      | <b>2010</b>     | <b>2009</b>  |
|----------------------|-----------------|--------------|
| General Fund         | (765,259)       | (161,531)    |
| Building Fund        | 196,010         | 262,395      |
| Communication Fund   | 4,063           | 21,202       |
| Special Reserve Fund | 76,083          | (40,511)     |
|                      | <hr/> (489,103) | <hr/> 81,555 |

Within the General Fund is the operations of Freemasons House (Willis Street, Wellington) which underwent major upgrading and maintenance during the year. Recladding of the exterior, major internal and elevator maintenance on the building resulted in an operating loss for the year of \$301,401. In addition, the building is subject to revaluation each year under New Zealand Accounting Standards and this resulted in a further write down in value of \$461,029.

Excluding the Freemasons House results, the General Fund shows a deficit of \$2,829 for the year.

Brokerage Commission declined this year by \$117,679 due to a lower number of depositors and higher withdrawals. Although the current prevailing low interest rates is affecting the members support for the scheme, it is necessary to restate the importance of the security of these funds in these volatile financial times and that the depositors funds are at call.

The lower level of brokerage limits the amounts available for Craft promotion and publicity.

The Freemasons Charity shows a surplus of \$849,587 (last year \$1,376,095).

The main reason for the reduced surplus was the level of investment income received from the Fund Managers. This year \$672,541 (last year \$1,681,709).

The volatility in the financial investment markets can be shown in the past three years results from Fund Managers investment income.

|           |             |
|-----------|-------------|
| 2008 year | \$5,358     |
| 2009 year | \$1,681,709 |
| 2010 year | \$674,241   |

(The average over the three years amounts to \$787,102).

Scholarships and Grants made by Freemasons Charity this year totalled \$966,420 (last year \$1,008,164).

This year in addition to Estate bequests received of \$63,370 an initial \$501,548 of funds were received from the Estate HM Rankin Education Trust.

The Statement of Financial Position shows a sound equity position with Accumulated Funds and Reserves of \$35,774,104 and no outside debt.

Les Green FCA B.Com

### **To the Members of the Grand Lodge of Antient Free and Accepted Masons of New Zealand**

We have audited the financial statements on pages 1 to 12. The financial statements provide information about the past financial performance of the Grand Lodge of Antient Free and Accepted Masons of New Zealand and its financial position as at 30 June 2010. This information is stated in accordance with the accounting policies set out on page 4.

#### **Boards's Responsibilities**

The Board of General Purposes is responsible for the preparation of the financial statements that fairly reflects the financial position of the Grand Lodge of Antient Free and Accepted Masons of New Zealand as at 30 June 2010 and the results of operations for the year ended on that date.

#### **Auditor's Responsibilities**

It is our responsibility to express an independent opinion on the financial statements presented by the Board of General Purposes.

#### **Basis of Opinion**

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgements made by the Board of General Purposes in the preparation of the financial statements; and
- whether the accounting policies are appropriate to the Grand Lodge of Antient Free and Accepted Masons of New Zealand's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with New Zealand Auditing Standards except that our work was limited as explained below. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to obtain reasonable assurance that the financial statements is free from material misstatements, whether caused by fraud or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Other than in our capacity as auditor we have no relationship with or interests in the Grand Lodge of Antient Free and Accepted Masons of New Zealand

### **Qualified Opinion**

The Grand Lodge of Antient Free & Accepted Masons of New Zealand has not recognised all Museum Artefacts, Regalia and Jewels in the Statement of Financial Position nor the associated depreciation expense in the Statement of Financial Performance. This is a departure from applicable Financial Reporting Standard No.3 (FRS-3): Accounting for Property, Plant and Equipment, which requires all assets to be recognised and depreciated in the financial statements. The Grand Lodge of Antient Free & Accepted Masons of New Zealand has not quantified the financial effect of this departure from applicable Financial Reporting Standard.

In our opinion, except for adjustments that might have been found to be necessary had we been able to obtain sufficient evidence concerning the effect of the departure from applicable Financial Reporting Standard No.3 as outlined above, the financial statements on pages 1 to 12 fairly reflects the results of operations for the year ended on that date.

In our opinion the financial statements on pages 1 to 12 fairly reflects the financial position of the Grand Lodge of Antient Free and Accepted Masons of New Zealand as at 30 June 2010.

Our audit was completed on 12 October 2010 and our qualified opinion is expressed as at that date.

NOTE: This Statement is to be read in conjunction with the Notes to the Financial Statements.

# Grand Lodge of Antient Free & Accepted Masons of New Zealand

## Notes to and Forming Part of the Financial Statements for the year ended 30 June 2010

### 1. Statement of Accounting Policies

#### Reporting Entity

The Grand Lodge of Freemasons in New Zealand Act 1903 vests all real and personal property in the Grand Lodge Trustees. Under Rule 222b of the Constitution of Grand Lodge the Board of General Purposes is responsible for the control and administration of those finances and property including the Freemasons Charity.

#### General Accounting Principles

These financial statements are a general purposes financial report and have been prepared in accordance with New Zealand Institute of Chartered Accountants generally accepted accounting practice.

#### Differential Reporting

Grand Lodge qualifies for differential reporting, because it is not publicly accountable and does not qualify as a "large" entity. All reporting exemptions have been applies.

#### Measurement Base

Grand Lodge follows the accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on a historical cost basis.

#### Specific Accounting Policies

The following specific accounting policies that materially affect the measurement of reporting of financial performance and financial position have been applied:

(a) **Depreciation** - Assets have been depreciated on a straight-line basis at the following rates:

|                                      |             |
|--------------------------------------|-------------|
| Office Equipment                     | 18 - 36% pa |
| Furniture & Fittings                 | 10 - 20% pa |
| Regalia & Jewels                     | 0%          |
| Library & Museum                     | 2% pa       |
| Freemason House Furniture & Fittings | 8 - 33%pa   |
| Freemason House Plant                | 15%         |

(b) **Plant & Equipment** - Office Equipment, Furniture & Fittings Library & Museum are shown at cost less accumulated depreciation, Regalia & Jewels are shown at cost with no depreciation (Note 15.)

(c) **Goods and Services Tax** - These financial statements have been prepared on a GST - exclusive basis except Accounts Receivable and Payables are GST inclusive.

(d) **Income Tax** - Grand Lodge is not subject to income tax. An application has been sent to the charities commission and is currently being considered.

(e) **Receivables** - Receivables are valued at the amount expected to be realised.

#### (f) Revenue Recognition

- i) *Rental Income*: Lease receipts under an operating Lease are recognised as revenue on a straight line basis over the Lease term.
- ii) *Other Income*: Income is reported on an accruals basis.

#### (g) Investment

Investments are valued at market value.

#### (h) Investment Property Policy

Investment property is revalued each year in accordance with SSAP17. It is valued at net current market value (market value less disposal costs) and is not depreciated.

#### (i) Inventory

Inventories are stated at lower of cost and net realizable value.

#### Changes in Accounting Policies

There has been no material change in accounting policies this year.

### 14 Subsequent Event

On 26 November 2009 the Charities Commission declined the application from the Grand Lodge of Antient Free & Accepted Masons of New Zealand. This decision was appealed and on 29 September 2010 the Charities Commission decision was upheld by the High Court of New Zealand. The result of this decision is that the Grand Lodge of Antient Free & Accepted Masons of New Zealand will have tax exposure going forward from the date of the High Court of New Zealand decision.
